Warranty Coverage

If a defect is discovered during the warranty period, FORM+ will, at its option: repair, provide replacement parts, replace the product, or make an appropriate adjustment. FORM+ reserves the right to examine the product and its installation before making a warranty determination. This warranty is limited to replacement of defective parts or products only.

Exclusions

This warranty does not cover: improper installation or startup procedures, failure to perform regular maintenance (filter replacement, coil cleaning, refrigerant checks), blocked airflow or coils, misuse or abuse, accidents, power surges, damage caused by non-FORM+ components, or refrigerant leaks caused by installer error.

Proof of Purchase

A dated proof of purchase is required for all warranty claims.

Geographic Scope

This warranty applies only to FORM+ HVAC systems installed in Canada, the United States, and Mexico.

Installation Recommendation

FORM+ strongly recommends installation and servicing by a licensed HVAC professional.

Limitations of Liability

This warranty excludes labor charges (after the initial coverage), incidental or consequential damages, or other losses. In no event shall the liability of FORM+ exceed the original purchase price of the product.

Legal Rights

This warranty gives you specific legal rights, and you may also have other rights which vary by state or province.
